

Dear Principal of MRC (Downtown East),

I'm glad that I've enrolled my daughter for the 3Q programme on September 2004.

Now, at the age of 3+, she can recognize over hundred of Chinese characters.

I'm so glad that sometimes she will join me with the Chinese newspapers and Chinese books because she knows some of the characters!!

She will entertain the family with the " 唐诗 " too.

The friendly and lively environment makes her look forward to the next lesson.

She loves to go MRC (Downtown East)!!!

Regards,
Mrs Neo
