Growing Is Learning (31 May 10 - 04 Jun 10) ()

- Students can sow the seeds into the box of soil and watch them develop through the various stages of growth. They can observe root development through the transparent walls of the box.

Understanding Chinese Culture (07 Jun 10 - 11 Jun 10) ()

- It not only teaches Chinese Gong Fu, but also other skills, such as, Chinese Oratory skills (Speech & Drama, old folks songs, tongue-twisters, story-telling), Chinese Traditional Cutting, Opera Mask Making, Chinese Painting, Chinese Tea Brewing Appreciation and Chinese Dumpling Making & Sampling, etc

Creative Computer & Craft (14 Jun 10 - 18 Jun 10) ()

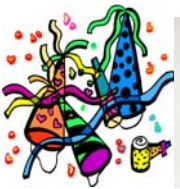

- Inspire the children's curiosity and develop their critical thinking skills. Expose the children to the stages and process of planning and organizing a party. They will get to do party ornament, party hat and invitation card through IT. They will also learn step-by-step cake-decorating and balloon-sculpting.
