

# Appreciation to MRC (Downtown East)

We are glad to have selected MRC Downtown East to be our son's early childhood education school. Marcus has been with MRC since Year 2005. He has acquired & attained learning skills through the comprehensive methodology adopted by the school and the effective coaching by the team of dedicated teachers (especially Ms Zou Laoshi). We wish to thank Ms Dawn who has been most accommodating and enthusiastic in ensuring the students are well-taught and well-cared for in her school. It has indeed been a rewarding journey for my son and us. We know that Marcus is ready for his next stage of education.

**THANK YOU**
